MA APCD 2026 Updates

- All APCD files including any re-submissions or overdue files must be in 2026 format (applies to reporting periods January 2023 onward).
- If historical Member Eligibility (ME) production files (Submission Year prior to 2026) need to be resubmitted, they must be accompanied by a corresponding Member Simplified (MS) file for the same submission period(s). For example, if resubmitting the January 2024 Member Eligibility file, you must also submit a January 2024 Member Simplified file in the 2026 format.
- ME & MS files need to link using the Carrier Specific Unique Member ID (CSUMID).

MA APCD 2026 Updates

- Production files through March 2026 were due by the end of April.
- Please send any overdue files ASAP and report any further issues or delays to your liaison.
- This data is critical in producing CHIA's Enrollment Trends report as well as the DOI Q1 2026 HMO Membership reports and the Claims Utilization report (with data through March 2026).
- Be sure to use FileSecure v7.3.4 when sending production data.
