## **Independent Auditor's Report**

To the Member  
South Shore Real Estate Investors, LLC  
Cleveland, Tennessee

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of South Shore Real Estate Investors, LLC, which comprise the balance sheet as of December 31, 2022, and the related statements of operations, changes in member's equity and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of South Shore Real Estate Investors, LLC, as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South Shore Real Estate Investors, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Shore Real Estate Investors, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Shore Real Estate Investors, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Shore Real Estate Investors, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The HUD required financial data templates are presented for purposes of additional analysis and are not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information on pages 17 to 30 is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2023, on our consideration of South Shore Real Estate Investors, LLC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Shore Real Estate Investors, LLC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Shore Real Estate Investors, LLC's internal control over financial reporting and compliance.

## **South Shore Real Estate Investors, LLC**

### **HUD Project No. 023-22178**

#### ***Notes to Financial Statements***

***December 31, 2022***

---

#### **Note 1. Organization**

South Shore Real Estate Investors, LLC (the Company) was formed as a member-managed limited liability company under the laws of the State of Tennessee on June 25, 2014. On May 19, 2017, the project was refinanced under Section 232 of the National Housing Act administered by the U.S. Department of Housing and Urban Development. The project consists of a 117 bed nursing home facility located in Scituate, Massachusetts, that is subleased to a related entity currently operating under the name of Life Care Center of the South Shore. The terms of the lease are described in Note 6.

#### **Note 2. Summary of Significant Accounting Policies**

The significant accounting policies and procedures followed by the Company are as follows:

##### *Basis of accounting:*

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### *Cash:*

The Company maintains cash at a financial institution which may exceed federally insured amounts at times and which may at times significantly exceed balance sheet amounts due to outstanding checks.

##### *Distributions:*

Cash distributions are limited by agreements between the Company and the U.S. Department of Housing and Urban Development (HUD) to the extent of surplus cash as defined by HUD.

##### *Escrow deposits:*

Escrow deposits consist of funds required to be maintained under the Regulatory Agreement for real estate taxes, hazard insurance and mortgage insurance premiums.

##### *Reserve for replacements:*

Reserve for replacements consists of funds required to be maintained under the Regulatory Agreement for purchases, repairs and maintenance of rental property.

## South Shore Real Estate Investors, LLC

### HUD Project No. 023-22178

#### Notes to Financial Statements

December 31, 2022

---

#### Note 2. Summary of Significant Accounting Policies, Continued

##### Rental property:

Rental property is carried at cost less accumulated depreciation. Depreciation is provided for in amounts sufficient to charge the cost of depreciable assets to operations over their estimated service lives by use of the straight-line method for financial reporting purposes. For income tax purposes, accelerated lives and methods are used.

Construction and renovation projects undertaken by South Shore Medical Investors, LLC (the Operator of the facility and a company under common ownership) are recorded by the Operator at cost until the related project is completed and placed in service, at which time the costs are transferred to the Company. Costs related to construction and renovation projects that are approved and released from the replacement reserve by HUD are transferred at the time of the release. Depreciation is deferred until the construction and renovation are complete.

##### Impairment of long-lived assets:

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of would be reported at the lower of the carrying amount or fair value less costs to sell. During the year ended December 31, 2022, the Company recognized no impairment loss.

##### Debt issuance costs:

Debt issuance costs consist of the costs for acquiring financing and are recognized as a discount to long-term mortgage payable. The costs are amortized over the term of the mortgage loan using the effective interest method. Amortization of the costs is included in interest expense. For the year ended December 31, 2022, amortization totaled \$6,337. Amortization for each of the five ensuing years through December 31, 2027, is approximately \$6,200 to \$5,500.

##### Income taxes:

The Company is a disregarded entity for federal income tax purposes based on its legal status as a single member limited liability company and files its state income tax return as a pass-through entity. As such, the Company is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and reported by the member on its income tax return. Accordingly, these financial statements do not reflect a provision for income taxes.

## **South Shore Real Estate Investors, LLC**

### **HUD Project No. 023-22178**

#### ***Notes to Financial Statements***

***December 31, 2022***

---

#### **Note 2. Summary of Significant Accounting Policies, Continued**

##### **Income taxes, continued:**

The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the positions will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. As of December 31, 2022, the Company has not recognized liabilities for uncertain tax positions or associated interest and penalties.

##### **Rental income:**

Rent is recognized on a straight-line basis over the life of the lease. Rental payments received in advance are deferred until earned. The lease between the Company and its tenant is an operating lease.

##### **Estimates and uncertainties:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### **Subsequent events:**

The Company has evaluated subsequent events for potential recognition and disclosure through March 24, 2023, the date the financial statements were available to be issued.

##### **Recently issued accounting pronouncements:**

In February 2016, the Financial Accounting Standards Board amended the Leases topic of the Accounting Standards Codification to require all leases with lease terms over 12 months to be capitalized by lessees as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases are classified as either finance leases or operating leases as defined in the amendment. This distinction is relevant for the pattern of expense recognition for lessees or rental revenue recognition for lessors in the income statement.

The Company elected the “package of practical expedients” under the transition guidance within Topic 842, in which the Company does not reassess (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases.

## South Shore Real Estate Investors, LLC

### HUD Project No. 023-22178

#### Notes to Financial Statements

December 31, 2022

---

#### Note 2. Summary of Significant Accounting Policies, Continued

##### Recently issued accounting pronouncements, continued:

The Company has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component. The non-lease components typically represent escrow requirements and certain operating costs reimbursed by the Operator, such as real estate taxes, property taxes and insurance, which are variable in nature and recorded as rental revenue in the period earned.

The amendment was effective for fiscal years beginning after December 15, 2021, and the Company adopted the amendment as of January 1, 2022. The adoption of the amendment did not have a material effect on the Company's financial statements.

#### Note 3. Cash and Restricted Cash

Cash and restricted cash as of December 31, 2022, consist of the following:

|                                |                   |
|--------------------------------|-------------------|
| Cash                           | \$ 8,107          |
| Escrow deposits                | 97,062            |
| Reserve for replacements       | <u>232,717</u>    |
| Total cash and restricted cash | <u>\$ 337,886</u> |

#### Note 4. Mortgage Payable

The healthcare facility note is insured by the Federal Housing Administration (FHA) and is collateralized by a healthcare mortgage on the rental property. The note bears interest at the rate of 4.15 percent per annum. Principal and interest are payable by the Company in monthly installments of \$13,002 through maturity on June 1, 2047.

Under agreements with the mortgage lender and FHA, the Company is required to make monthly escrow deposits for taxes, insurance and replacement of project assets, and is subject to restrictions as to operating policies, rental charges, operating expenditures and distributions to its member.

The liability of the Company under the healthcare mortgage is limited to the underlying value of the real estate collateral plus other amounts deposited with the lender.

| Unamortized debt issuance costs | <u>(89,323)</u>     |
| Net mortgage payable            | <u>\$ 2,303,134</u> |

#### Note 5. Related Party Transactions

The Company has a payable to the Operator of the facility of \$70,971. The Operator purchases all fixed assets and incurs all repair and maintenance costs on behalf of the Company. Costs that are expected to be reimbursed from the replacement reserve are recorded by the Company as a payable to the Operator. Costs that are not reimbursed from the replacement reserve are recorded by the Company as contributions of equity from the member. When approved withdrawals from the replacement reserve are received by the Company, the Company disburses the amount of the replacement reserve withdrawal to the Operator to settle the payable amount recorded. Because the Company is not permitted by HUD to make requests for withdrawals more often than quarterly (unless an emergency exists), the payable to the Operator is included in miscellaneous current liabilities.

The Company has obtained its property insurance through Leader Care, Inc., a company under common ownership. During the year ended December 31, 2022, insurance premiums totaling \$36,246 were incurred and expensed.

## South Shore Real Estate Investors, LLC

### HUD Project No. 023-22178

#### Notes to Financial Statements

December 31, 2022

---

#### Note 6. Operating Lease - Related Party

The Company leases property and equipment to 2016 Portfolio Master Lease, LLC, a company under common ownership, which in turn subleases the property and equipment to South Shore Medical Investors, LLC, also a company under common ownership. The operating lease allows the facility to be used for the operations of a licensed Medicare and Medicaid certified skilled nursing home facility and ancillary uses, as defined. The initial lease term is for a period of thirty years. The monthly lease income is equal to the aggregate of required monthly mortgage principal and interest payments and related escrow requirements multiplied by a factor of 1.05, plus reimbursement of certain operating costs. During the year ended December 31, 2022, the Company received \$349,181 in lease payments from the Operator, which exceeded debt service costs paid of \$323,572, which includes principal, interest, tax and insurance escrows, and replacement reserve deposits. Minimum future rental income under the noncancelable operating lease is as follows:

#### Year ending

|                   |                     |
|-------------------|---------------------|
| December 31, 2023 | \$ 339,432          |
| December 31, 2024 | 339,432             |
| December 31, 2025 | 339,432             |
| December 31, 2026 | 339,432             |
| December 31, 2027 | 339,432             |
| Thereafter        | <u>6,590,638</u>    |
|                   | <u>\$ 8,287,798</u> |

#### Note 7. Concentration of Credit Risk

The ability of the Company to meet its required debt service payments is contingent upon the Operator's ability to make monthly rental payments.

The Company maintains its replacement reserve and escrow accounts with CFG Community Bank. At times, these balances may exceed the federal insurance limits; however, the Company has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to the reserve and escrow balances as of December 31, 2022.

### **HUD Project No. 023-22178**

#### ***Notes to Financial Statements***

***December 31, 2022***

---

#### **Note 8. Commitments and Contingencies**

Life Care Centers of America, Inc. (LCCA) is related to and manages the Company and the nursing facility operations of the Operator. LCCA also owns and manages numerous other nursing facilities throughout the country.

The facilities owned and managed by LCCA operate in industries that are extensively regulated. As such, in the ordinary course of business, they are continuously subject to state and federal regulatory scrutiny, supervision and control. Such regulatory scrutiny often includes inquiries, investigations, examinations, audit, site visits and surveys, some of which are non-routine. In addition to being subject to direct regulatory oversight of state and federal regulatory agencies, these industries are frequently subject to the regulatory supervision of fiscal intermediaries. If a provider is found by a court of competent jurisdiction to have engaged in improper practices, it could be subject to civil, administrative or criminal fines, penalties or restitutionary relief, and reimbursement authorities could also seek the suspension or exclusion of the provider or individual from participation in their program. LCCA and the Company believe that there has been, and will continue to be, an increase in governmental investigations of long-term care providers, particularly in the area of Medicare/Medicaid false claims, as well as an increase in enforcement actions resulting from these investigations. Adverse determinations in legal proceedings or governmental investigations currently asserted against LCCA and related entities or arising in the future could have a material adverse effect on LCCA's and the Company's financial position, results of operations and cash flows.

The 2019 novel coronavirus (or COVID-19) has adversely affected, and could continue to adversely affect economic activity globally, nationally and locally. Additionally, it has negatively impacted census and demand for the Operator's (a related party) services and increased the Operator's costs. These conditions have adversely affected the Company's cash flows, financial condition, and results of operations. The Operator at this time does not know how long it will take to recover from its decline in census, which has resulted in lost revenues, nor how long it will take to stabilize increases in operating costs associated with COVID-19. The extent of the continued adverse impact of the COVID-19 outbreak on the Operator and its impact on the Company cannot be predicted at this time.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance  
and Other Matters Based on an Audit of Financial Statements Performed in Accordance With  
*Government Auditing Standards***

To the Member  
South Shore Real Estate Investors, LLC  
Cleveland, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of South Shore Real Estate Investors, LLC, which comprise the balance sheet as of December 31, 2022, and the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 24, 2023.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered South Shore Real Estate Investors, LLC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of South Shore Real Estate Investors, LLC's internal control. Accordingly, we do not express an opinion on the effectiveness of South Shore Real Estate Investors, LLC's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### ***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether South Shore Real Estate Investors, LLC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for the Major HUD Program and  
Report on Internal Control Over Compliance Required by the  
*Consolidated Audit Guide for Audits of HUD Programs***

To the Member  
South Shore Real Estate Investors, LLC  
Cleveland, Tennessee

**Report on Compliance for the Major HUD Program**

***Opinion on the Major HUD Program***

We have audited South Shore Real Estate Investors, LLC's compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the audit guide) that could have a direct and material effect on South Shore Real Estate Investors, LLC's major U.S. Department of Housing and Urban Development (HUD) program for the year ended December 31, 2022. South Shore Real Estate Investors, LLC's major HUD program is the refinance of the project under Section 232 of the National Housing Act administered by the U.S. Department of Housing and Urban Development. The related direct and material compliance requirements for the major HUD program include: mortgage status, replacement reserve, distributions to owners, equity skimming, cash receipts, cash disbursements, management functions, unauthorized change of ownership/acquisition of liabilities, unauthorized loans of project funds and leased nursing homes.

In our opinion, South Shore Real Estate Investors, LLC complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major HUD program for the year ended December 31, 2022.

***Basis for Opinion on the Major HUD Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit guide. Our responsibilities under those standards and the audit guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of South Shore Real Estate Investors, LLC and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our audit. We believe that our audit provides a reasonable basis for our opinion on compliance for the major HUD program. Our audit does not provide a legal determination of South Shore Real Estate Investors, LLC's compliance.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, regulations, rules and provisions of contracts or grant agreements applicable to its HUD programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on South Shore Real Estate Investors, LLC's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the audit guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about South Shore Real Estate Investors, LLC's compliance with the requirements of the major HUD program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the audit guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding South Shore Real Estate Investors, LLC's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of South Shore Real Estate Investors, LLC's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the audit guide, but not for the purpose of expressing an opinion on the effectiveness of South Shore Real Estate Investors, LLC's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## ***Report on Internal Control Over Compliance***

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the audit guide. Accordingly, this report is not suitable for any other purpose.
