Profile Reports

New Profile Reports

- CHIA recently contracted with a vendor to produce profile reports of Release 2.1 data for the following submitters:
(Aetna (select ids), Celticare, CIGNA (select ids), Connecticare, BCBS of MA, BMC HealthNet, Fallon, Harvard Pilgrim Health Care, Health Plans Inc., MassHealth, Neighborhood Health Plan, Network Health, Tufts Health Plan, United (select ids), WellPoint, Inc.)
- CHIA intends to post the profiles to its website in September to help APCD users understand the richness of the dataset. The reports do not contain protected health information or cost information.

New Profile Reports

- The reports were produced for two file types:
Medical Claims and Member Eligibility.
- The reports are based on Release 2.1 data:
2012 incurred claims submitted as of September 2013,
2012 eligibility data submitted as of September 2013.
- The profiles have been assembled in EXCEL workbooks with multiple tabs.
